

In the Specification

Please amend the paragraph beginning at page 5, line 16 as follows:

The term "PML" refers to Printer Management Language, which has been developed by the Hewlett-Packard Company of Palo Alto, California. Further description of PML can be found at ~~http://www.hp.com~~ www.hp.com or at ~~http://www.hpdevelopersolutions.com~~ www.hpdevelopersolutions.com, by entering a user name, a user selected password, and by joining a solutions provider program. More particularly, a PML Protocol Specification, Hewlett-Packard Company, 11/18/98, Revision 2.3 is available therein, and is hereby incorporated herein by reference.
